JUDGE THOMAS H. SIMES

Town Council for Town of Rye, N. H.
for over Fifty Years

Selectmen's Report

To: The Inhabitants of Rye, New Hampshire:

A northeast storm in April, accompanied by four days of extra high running tides, caused considerable damage, both by erosion and the spreading of debris along the entire Rye seacoast. Principle damage was the undermining of private cottages at Wallis Sands. Most of the damage was to private or state maintained property. At the request of your selectmen, our Congressional Representatives, the Army Engineers and members of the New Hampshire State Highway and Recreational Departments viewed the damages sustained. Through the cooperation of Governor Dwinell, the State and Federal Government have made funds available for a survey to determine steps necessary to prevent future similar damage. This survey is now being conducted.

Another subject of vital interest to the inhabitants of Rye is the dredging and development of Rye Harbor into a suitable anchorage area and haven for small boats. Plans for dredging have been submitted by Army Engineers to the state and town authorities. Town actions desired on this project will be determined by a suitable article in the Town Warrant.

The greater part of Odiorne's Point (Fort Dearborn), has been declared surplus by the Defense Department and has been turned over to the General Services Administration for disposal. If other federal agencies are not interested, this property will be offered to the State of New Hampshire. The selectmen are closely watching developments in this area and have been assured by Governor Powell that the town will receive every possible consideration in ultimate disposal actions.

The Town of Rye deeply mourns the loss of Judge Thomas H. Simes, our Town Council for over fifty years. The excellent services and assistance rendered by him and

his steadfast devotion to our town are deeply appreciated. We have selected Atttorney Richard E. Dill, a resident of Pioneer Road to succeed Judge Simes as Town Council.

The resignation of Delwyn E. Philbrick has left the Town of Rye temporarily without the services of a Civil Defense Director. The Selectmen are currently reviewing all possibilities for a replacement for Mr. Philbrick and are hopeful of, and anticipate the appointment of an individual who has definite capabilities and who will have the support and assistance of an established organization within the town. The past services of Mr. Philbrick are deeply appreciated.

Unexpected expenses which have arisen this past year are the replacement of all of the small entrance doors at the Rye Fire Station due to the rotting out of the door frames and, in the interest of safety, the replacement of the ceiling and light fixtures in the basement of the Town Hall. One light fixture fell down, and the ceiling was buckling as much as six to eight inches in some areas.

The reflashing and repairs to the leaky roof of the Fire Station was accomplished with funds held back from the original contract, and consequently, was of no additional cost to the town.

We wish to thank Mr. Bernard Maxam and Mr. Joseph Eberly for our excellent program and parade on Memorial Day.

The Ladies Auxiliary of the Rye Volunteer Fire Department on five different occasions, three election days and twice in connection with erosion reviews, served excellent lunches to town officials and visiting federal and state dignitaries. Ladies, we sincerely thank you.

The Selectmen hold regular monthly meetings in their office at the Rye Fire Station on the first Monday evening of each month to meet with anyone desiring con-

sultation. We also are available for special appointment when and if warranted.

Respectfully submitted,

ROBERT B. GOSS
JOSEPH O. VARRELL
WESTON F. COOK
Selectmen

SELECTMEN'S REPORT

INVOICE

Auditors.

Fire Chief's Report

Your Fire Department received sixty-six calls during the year of 1958 as follows:

Rubbish Fires	7
Electrical Fires	2
Oil Burner Fires	8
Chimney Fires	3
Dump Fires	10
Brush Fires	3
Building Fires	4
Car & Truck Fires	4
Resuscitator	7
Wash Gasoline	1
Fat on stove	1
Mattress	1
Rescue	1
Television	1
Appliance	1
House Trailer	1
Mutual aid to Portsmouth	4
Mutual aid to Greenland	3
Mutual aid from Portsmouth	4
From Newington and North Hampton	1

In the past year Portsmouth and Kittery Fire Departments have assisted us by drying hose for us when we had more than we could handle. This meant that several hundred feet of hose was out of use each time. While we have enough hose to meet insurance requirements we have very little to put on the trucks when hose is being dried.

Portsmouth, Newington and North Hampton Departments responded to the house fire on Breakfast Hill

and demonstrated what tank trucks and Mutual Aid can do for a town. There is no water system at this location.

The permanent firemen and Volunteers took a renewed interest in fire training this year and during the summer met once a week. They also went to the fire school at Fitzwilliam, N. H. for two days. The men furnished equipment and meals and the Volunteer Fire Department paid for transportation and registration. These men have formed a company within the department and have been holding meetings this winter.

The Fire Department issued 519 beach fire permits and also issue fire permits under the authorization of State Fire Warden E. L. Greene. They also handled telephone and radio calls for the Police Department.

The Department helped the Police on two occasions in a woods search for lost persons by using the alarm system and furnishing men to use in the woods. They have assisted the Police on ambulance calls and have made seven calls with the resuscitator.

It is easy to see that the title Fire Department Expenses is very misleading, that it provides many useful services other than fires.

The Firemen wish to thank our friends who donated to our annual Field Day. This year purchases of Scot Air Packs and a new light weight Oxygen Resuscitator were made. Those new additions to the equipment are something the firemen and towns people may be proud of.

Your donations have in the past years purchased several thousand dollars worth of equipment for the Fire Department that would have had to be paid for by taxes or not have been bought at all.

The firemen know and appreciate the value of this equipment and letters received from people who have been assisted with our oxygen resuscitator should make you happy you helped in this project.

You are always welcome to visit the station and see the station and equipment.

Remember in an emergency for fire or police call WOodlawn 4-5521.

CHARLES P. GORDON,
Fire Chief, Rye, N. H.

Forest Fire Warden's Report

Once again we have enjoyed a year of maintaining a fine fire record, equal to the best in the State. We ask again your continued help in holding this good record since without your cooperation very little can be done.

Permits are required for all outdoor fires and burning except when there is snow on the ground. They may be obtained at the firehouse.

E. LEROY GREENE,
State of New Hampshire Fire Warden for the Town of Rye.

Sheriff's Department	1
Total	223
Small Claims cases	4

Respectfully submitted,

RICHARD E. DILL,
Acting Clerk.

Rye Police Department

TO THE CITIZENS OF RYE:

Again we wish to extend our thanks to the members of the Rye Fire Department for their good work in handling the radio and telephone calls for our Department.

Our thanks also go to Mr. Robert Simpson for his gift of a copy machine.

The past year has been a busy one for the Department, and the work increases steadily. The addition of a clerk during the summer months enabled the officers to spend more time on investigative and patrol work. The increase in daily office work and reports has created the need for full-time office help. The population growth of the Town will make it necessary in the near future to employ another full-time officer.

Following is a summary list of the offenses and complaints that were handled by the Department during the year.

Motor Vehicle:

Warnings	181
Suspension of Licenses	22
Accidents	42
Parking tags (fines)	82
Parking tags (courtesy)	37
Complaints investigated	118

Miscellaneous:

Fire permits checked	426
Ambulance calls	35
Pistol permits	8
Summons served for other Departments	9
Criminal complaints	69
Cottages inspected	509
Juvenile cases	31
Rescued persons	1

Respectfully submitted,

ELI W. PERRY, *Chief.*

ELI W. PERRY, *Chief*

We, the undersigned, have examined the foregoing accounts and find them correct.

RALPH E. BERRY,
JOHN E. JOHNSTON,
Auditors.

Health Officer's Report

During the past year no epidemic of communicable disease has occurred in the Town of Rye.

Only one case of measles was reported to the Health Officer during the entire year.

It is quite possible there have been other cases of communicable diseases that were not reported to the local Health Officer.

Respectfully submitted,
WALTER M. ANDERSON, M.D.,
Health Officer.

Planning Board

Five (5) petitions were received this past year by the Rye Planning Board. Four (4) were approved and one (1) was withdrawn by the applicant. The board held eight meetings during the year.

On a motion passed at the last Town Meeting, March 11, 1958, the Planning Board was instructed to make an illumination survey of the town and make recommendations to the Town for additions to the present street lights. The above survey has been completed and will be reported on at the next Town Meeting with recommendations as instructed.

Respectfully submitted,

WESTON F. COOK, *Chairman*

Report of the Board of Adjustment

The Rye Board of Adjustment received thirteen applications for variances during the year. The Board granted variances to nine applicants and disapproved four applications.

In addition to its regular monthly meetings the Board held two special meetings and seven public hearings.

The Board holds its regular monthly meetings at the Rye Town Hall at seven thirty p. m. on the first Tuesday of each month.

Respectfully submitted,

L. S. STEWART, *Clerk.*

Report of Library Trustees

The roll of the Public Library is increasingly important since there is urgent need for American people to broaden their intellectual horizons to meet the challenges of the modern world. Your trustees report a year of increasing demands on all resources, and we commend the Librarian and her assistant for faithful service. It is our aim to meet as far as possible the high standards set by the State Library Commission.

The need for better illumination was met by the installation of a modern lighting system in September. The interior has not been painted for many years and

complete redecorating and painting is urgently needed.

We report with grateful appreciation a bequest of one thousand dollars from the estate of the late Ralph Walker, the income to be used for the purchase of books. Again we offer our thanks to the Every Other Tuesday Club for its continued interest, and to the friends who have contributed books and magazines and articles for the curio cabinet.

Respectfully submitted,

HELEN F. PHILBRICK
ELIZABETH A. GREENE
T. J. MORRIS

December 31, 1958.

Librarian's Report

It is interesting to note that in the last nine years the circulation of books at the Rye Library has tripled. In 1950, books circulated numbered 7500; at the end of 1958 this figure reached a new high of 22,705. This is actually a very large turnover of books for a library that is open only twelve hours a week, and probably indicates the need for additional hours of library service, possibly another day each week. Added hours would undoubtedly increase circulation, but it would also distribute it more evenly and thus give the Librarians more time to help patrons with reference work and the selection of books.

Miss Chapman has ably assisted during many, many busy hours in the Library and has also helped with the large amount of work that has to be done during non-library hours. We are grateful too, for the volunteer help which several of our school girls have supplied on busy afternoons.

During 1958, 783 books were added to the shelves. Of these 106 were given to us by interested friends. 75 were purchased from fine money and 602 from Town and Trust Funds. In order to make room for new books

many old ones have had to be discarded. Even so, our shelves are badly crowded, especially in the children's section, and books cannot be displayed or arranged to best advantage.

We still find the months of July and August our busiest ones. During these two months in 1958, 5328 books were circulated. Each year more summer visitors avail themselves of the privilege of using our library. Several of the winter months are extremely busy, also. We are pleased to note that the school children are using the Library's reference books more and more and are spending a great deal of time in the Library working on school projects. Another library day during the school week would certainly be welcomed by them.

The new lighting system installed this year has proven most satisfactory to library workers and patrons alike. This was a much needed improvement and makes the library a pleasanter place in which to work and browse.

It is impossible to mention here all those who have so generously contributed books and magazines to the Library during the year, but we are sincerely grateful to them all. Two organizations in town, The Every Other Tuesday Club and the Rye Junior Women's Club have contributed money for the purchase of books. With some of this money we were fortunate to be able to secure another copy of the History of the Town of Rye, N. H., which is in constant demand. We now have three copies of this History in the Library. Of special note, too, is a gift by Mrs. John L. Parsons of twenty-two Girl Scout books and pamphlets. These have been placed on a Girl Scout shelf and have proven very helpful to workers in that organization.

Respectfully submitted,

HELEN H. TREFETHEN,
Librarian.

School Board Report

Your School Board respectfully submits the following report:

We have been fortunate that only a few changes have taken place in our teaching staff this year. Mrs. Phyllis C. Lloyd replaced Mrs. Russell in the Sixth Grade and Mrs. Julia T. Ballou replaced Mrs. Lynette Shelton. We were able to obtain the services of Miss Bettyann Scripture as a Remedial Reading teacher. Under her guidance and as a result of careful analysis of their problems, many children are on their way to rectifying their difficulties. The results of this service upon the pupils affected is a great improvement to their morale and their whole attitude toward their education.

Mr. Clarence M. Green was elected by Supervisory Union No. 21 to replace Dr. Edward C. Manning who resigned to take a superintendency in New York State. The position of Helping Teacher, formerly held by Mr. Green, has been ably filled by Miss Leota R. Whitcomb.

We have continued the Hot Lunch Program under the able direction of Mrs. Eleanor Emery. Her two assistants have been Mrs. Evelyn Ireland at the Elementary School and Mrs. Earl Walker at the Center School. We wish to thank the mothers from the P. T. A. who have aided the program by willingly giving of their time and effort.

In order to correct the pupil transportation problem, we have contracted with Mr. Joe Berry of North Hampton to provide bus service. While the new arrangements also has its problems, we think the change has improved the situation.

We wish to express our thanks to the several organizations and people for their continued interest and participation in our school programs.

To the Rye Lions Club for the visual testing machine which has been a great help to the school nurse in her work.

To the Rye Beach and Little Boars Head Garden Club for the shrubbery around the flag pole at the Elementary School.

To the Eighth Grade room mothers for their supervision of the school dances, and to the many mothers who have helped with transportation and refreshments at the athletic games, and also with the supervision of the cheer leaders.

To the P. T. A. for their assistance in assuming part of the cost of the film strip machine, the donation of $50.00 toward the Curtain Fund at the Elementary School; $60.00 for basketball uniforms and $50.00 for books for the Elementary School. All this in addition to their continuation of the $200 Scholarship Fund and sponsoring the summer swimming classes.

We would like to thank all the people of Rye for their support and understanding in helping to improve our educational facilities.

STANLEY P. BATCHELDER.
ELIZABETH A. GREENE.
FREDERICK A. CHAMPION.
School Board.

Report of the Superintendent of Schools

To the School Board and Citizens of the School District of Rye:

It is a pleasure to submit my first annual report as Superintendent of your schools. I have enjoyed working with the professional and lay people of your school district and look forward to the coming year. The excellent work of my predecessors, Mr. Roy W. Gillmore and Dr.

Edward C. Manning, has proven to be both a challenge and an inspiration. I shall strive to continue the fine work accomplished by them.

Previous reports have indicated that the dominating factor affecting your schools is population growth. This continues to be true. Because of the growth, all school districts in this area share common problems and the initial portion of this report will be a brief description of what they are and how they are being approached.

There is need for a permanent office building for the Supervisory Union. Present facilities are adequate in neither working area nor storage space. Attempts are being made to have a building constructed that is designed for the purpose and one that will not subject the occupants to frequent, annoying, and wasteful transfer of equipment and personnel.

There is also need for an additional professional employee at the Supervisory Union office. Rye is a member of the largest Supervisory Union in the State and one that is larger than many of the city school systems. The responsibilities continue to grow. Because the employment of another assistant at the Superintendent's level is considered an "additional service" it will be necessary for each School District to vote upon this item at the School District Meeting. The Supervisory Union School Board has indicated its approval and I hope that the voters of Rye will follow their recommendation and vote favorably upon this article as presented in the Warrant.

Our Supervisory Union Classes, increased from one to two at the opening of school in September, continue to present a valuable educational service to the children of this area. I am pleased that the Supervisory Union Budget for next year will continue to provide, and improve, this program. It is a credit to your school district that you are willing to participate.

There is a possibility of increased State Aid. Pending legislation, if approved by the General Court, would provide a $10.00 per pupil grant to each school district and, additionally, another bill would assist in defraying the cost of transportation — a large item in all budgets. This is a step forward, in my opinion, and I am hopeful that both bills will receive an affirmative vote.

The Rye schools are growing along with all other schools. Present enrollment in the elementary grades is such that additional teachers are needed. The School Board is requesting that two persons be added to the staff. I consider this very important. With two more teachers it will be possible to divide some of the elementary grades into three sections, thus providing much more individual attention to the children at this important phase of their education.

There is need for further revision of the salary schedule. When Rye had the highest minimum starting salary of any district in the Union, it was able to attract the better teachers when the need arose. It has now lost that advantage and should seek to regain, at least, an equal footing. Beginning teachers are attracted by the salary at which they can start. This is a truism that has proven itself many times. With salary schedules increasing all around us, it is necessary that we keep pace in order to attract the type of teacher we all desire.

Of course, when a starting salary is increased it is only reasonable that the salary of other teachers be increased proportionately. The over-all increase in the budget should not be prohibitive to the district. We need to attract good new teachers and to retain our excellent present staff members.

The Remedial Reading Program, inaugurated last year, has achieved the success we envisioned. Further improvements can be expected and will materialize. Dramatic improvements in reading ability are not always vis-

ible to the casual observer. Nevertheless, they are there and will increase in number as the program becomes well established. Miss Bettiann Scripture, the Remedial Reading teacher, should be commended for the excellent manner in which she has created this program. It was a formidable task and she met the challenge.

Another phase of the program that deserves mention is the one begun for those students identified as academically superior. The "screening" was accomplished by Dr. John Gilmore of Boston University and, to no one's surprise, revealed a large proportion of the Rye students to be in this category.

Under the supervision of Mr. Irvin Reade and Mr. George Theodoras, with some assistance from Miss Leota Whitcomb, Helping Teacher for Supervisory Union No. 21, the program was started in October. Once again, dramatic results are not to be seen, but the progress is there. Undoubtedly, the most significant advance is that we have, at long last, recognized the need for this service. The School Board is to be commended for its forward looking policy that enabled the program to be inaugurated. The citizens of the school district should be grateful to those teachers who have given of their time and talents to contribute to the effectiveness of the offering.

Other phases of the educational services also deserve recognition. Mr. Robert Luther continues to set an example of interest and ability in developing the athletic program. And, of course, the classroom teachers, around whom any school system is developed, continue their fine work. Appreciation is owed to all of them.

Upon the recommendation of the Superintendent, it has been the decision of the School Board to reorganize the administration of the Rye Schools. Beginning with September 1959, there will be but one Principal for both Junior High and Elementary Schools.

While no definite plans have been developed, it is expected that this person will have his office at the Elementary School and that an Assistant Principal will be designated, from among the staff, for the Junior High School.

I hasten to say that this is no reflection upon the incumbent Principals. Their long service to the school district is proof of their ability. However, there is adequate evidence that one highly qualified Supervising Principal can perform the administrative and supervisory tasks necessary for the efficient management of a system of this size.

I have also recommended to the School Board that the Principal be employed on an eleven-month basis in order to provide the much-needed study and development of curriculum and programs of study. We have overlooked, I think, this important phase of public education. Too much has been assumed and I shall not be satisfied until I have been able to assist in bringing about changes in method of instruction and subject or content, or have been shown that there is no need for a change. What we are doing is far too valuable to society not to be subject to critical scrutiny.

May I thank you for the opportunity to be a part of your school system. The past year has been rewarding and I am grateful to the School Board, the Principals, Teachers, and lay persons who have so ably assisted me. I also wish to thank Miss Edith E. Hammond, Executive Assistant, and the other members of the office staff, without whose untiring effort and loyal support I would have found this task extremely difficult.

I look forward to continued service in behalf of your schools and your children.

Respectfully submitted.

C. M. GREEN,

Superintendent of Schools.

Hampton, New Hampshire, January 16, 1959.

Hot Lunch Program

The Hot Lunch Program of the Rye Junior High School has Barbara Walker in charge of the kitchen and she has one mother volunteering her services each day. In December 1958, they were feeding 125 children compared to 100 of last year.

In the Elementary School, we are now feeding the children in the all-purpose room in two shifts and as of December 1958, we were feeding 230 children compared to 150 last year.

We have Mrs. Lorraine Shaw as cook in our kitchen and two volunteer mothers each day.

The charge for a child's lunch is still $1.25 per week. A sample December menu was:

Mashed Potatoes
Turkey and Gravy
Peas Milk Bread and Butter
Fruit Jello

I would like to thank the Room Mothers for their help in the lunch program.

ELEANOR EMERY,
Hot Lunch Supervisor.

Report of the School Nurse

To the Superintendent of Schools and School Board of Rye:

Three days each week is spent in the Rye schools as School Nurse.

The School Health Program consists of annual weighing, measuring, and general inspection of all pupils. Vision screening is done yearly for every student.

Last fall the Rye Lions Club bought a vision testing

machine for the Rye schools. This is a fine piece of equipment and I would like to thank the members for their generosity.

In the past year eight children were found needing corrective eye measures. All eight were given the necessary treatment.

Hearing tests were done on first, third, fifth and seventh grades. Also those students who were referred to me by parents or teachers.

Five pupils with hearing problems were found and were corrected by removal of tonsils and adenoids, or other surgical methods.

Dr. James Sanders, School Doctor, gave physical examinations to pupils of second and sixth grades. Also given physicals were all boys who were participating in sports.

Last spring two pre-school clinics were held for the purpose of physical examinations and school registrations of pupils.

On December 3, 1958, two successful Tuberculin Patch Testing Clinic were held. One was held in the Elementary School and the other in the Junior High School. A total of 442 pupils, teachers, and other school employees took advantage of this worth-while opportunity.

Weekly visits are made to all classrooms. A total of 246 home contacts were made by me during 1958.

My thanks go to everyone who has helped make the health program so successful during the past school year.

Respectfully submitted,

JESSIE MANSOURIAN, R. N.,
School Nurse.

School District — Financial Report

For the Fiscal Year beginning July 1, 1957
and ending June 30, 1958

CERTIFICATE

This is to certify that the information contained in this report was taken from official records and is complete and correct to the best of my knowledge and belief. The accounts are kept in accordance with Section 24 of Chapter 71 of the Revised Statutes Annotated, and upon forms prescribed by the State Tax Commission.

STANLEY P. BATCHELDER,
ELIZABETH A. GREENE.
FREDERICK A. CHAMPION,
School Board.

RAELENE L. WHITE, Town Clerk

TOWN WARRANT

AND BUDGET

TO BE VOTED UPON

BY THE VOTERS OF THE

TOWN OF RYE, N. H.

IN THE TOWN HALL

Tuesday, March 10, 1959

AT 10:00 A. M.

Polls Will Not Close Before Six O'Clock P. M.

Business Meeting at Eight O'Clock P. M.

THE STATE OF NEW HAMPSHIRE

(L.S.)

To the Inhabitants of the Town of Rye in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Rye on Tuesday, the tenth day of March, next at ten o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will authorize the Selectmen to hire money from the Trustees of Trust Funds.

4. To see if the Town will authorize the Selectmen to hire money in anticipation of taxes.

5. To see if the Town will vote to allow five per cent discount on all property taxes paid on or before September 1, 1959, or thirty days after the tax rate has been approved, whichever date is the later.

6. To see if the Town will vote to approve a plan to improve Rye Harbor, by dredging a channel and anchorage basin, erecting a bulkhead and building docking facilities, as recommended by the Corps of Engineers, United States Army. The estimated cost of this project is $350,000.00 for dredging, $9,000.00 for bulkheads, $10,000.00 for dock facilities and $1,000.00 for navigational aids. The United States proposes to pay 64% of the cost of dredging and all costs of future maintenance,

provided that the State of New Hampshire contributes $125,000.00 and the Town of Rye $20,000.00 to the project. Such approval to be contingent on the appropriation of such funds by both the United States and the State of New Hampshire.

7. To see if the Town will vote to raise and appropriate the sum of $20,000.00 by issuing town bonds or notes in accordance with Chapter 33, R.S.A., the "Municipal Finance Act," for the purpose of making improvements at Rye Harbor as proposed by the U. S. Corps of Engineers, as outlined in Article 6 of this Warrant. No funds are to be appropriated under this authorization, nor any such bonds or notes issued, unless the United States and the State of New Hampshire make available matching funds in the amounts set forth in said Article 6 of this Warrant.

8. To see if the Town will vote to amend the Town Ordinances of Rye as they relate to illegal parking, namely, ordinances adopted at the 1956 Town Meeting, Article 10, by striking out section 8 thereof, relating to penalties and inserting in place thereof a new section 8 which shall read as follows:

> "8. A person who violates any provision of this parking ordinance, or any rule or regulation made by the Selectmen pursuant thereto, shall be guilty of a misdemeanor, and, upon conviction thereof, shall be subject to a penalty of not more than ten dollars for each offense; except that any person violating any provision of this ordinance, or any rule or regulation made by the Selectmen pursuant thereto, may forfe't to the Town the sum of one dollar, waiving prosecution, but subject to appeal, and in the case of appeal, such person shall appear in the Municipal Court and, upon conviction, shall be fined not more than ten dollars."

9. On petition of Norman D. Brown and nine others:

To see if the Town will vote to appoint a committee composed of the Moderator, the Board of Selectmen, the School Board and four members to be chosen by the Moderator to conduct a study incident to the erection of a combination Town Hall and Recreation Center and to raise and appropriate the sum of $500.00 for this study. This study will be to determine the cost and location of such a building. This committee will report its findings by insertion of a suitable article in the March 1960 Town Warrant.

10. On petition of Theodore R. and Hazel L. Ham, to see if the Town will vote to rezone from single residence to business two parcels of land on Lafayette Road and Dow Lane owned by the petitioners and described as follows:

First Parcel: bounded westerly by the Lafayette Road eight hundred forty-eight (848) feet, northeasterly by a stone wall four hundred forty-four (444) feet and southeasterly by Dow Lane five hundred ten feet (510), all distances being more or less.

Second Parcel: bounded westerly by Lafayette Road one hundred feet (100), northerly by Dow Lane six hundred (600) feet, easterly by a stone wall six hundred fifty-five (655) feet and southerly by the town line between Rye and North Hampton six hundred sixty feet (660), all distances being more or less.

This petition was approved by the Planning Board after a public hearing was held thereon February 17, 1959.

11. To see if the Town will vote to authorize the Selectmen to consult with the commissioners of the Rye Beach Precinct, the Jenness Beach District and Rye Water

District regarding the future expansion of water facilities throughout the Town of Rye and the ultimate establishment of a municipal water system for the Town and accept on behalf of the Town of Rye any assistance that may be available from the State of New Hampshire or the United States.

12. To transact any other business that may legally come before this meeting.

Polls will not close before six o'clock P. M.
Business meeting at eight o'clock P. M.

Given under our hands and seal, this twenty-first day of February, in the year of our Lord nineteen hundred and fifty-nine.

ROBERT B. GOSS,
JOSEPH O. VARRELL,
WESTON F. COOK,
Selectmen of Rye.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of the Town of Rye, in the County of Rockingham and State of New Hampshire, qualified to vote upon district affairs:

YOU ARE HEREBY DIRECTED TO MEET AT THE TOWN HALL IN THE SAID DISTRICT ON SATURDAY, THE 7th OF MARCH, 1959, AT 8:00 IN THE AFTERNOON, TO ACT ON THE FOLLOWING SUBJECTS:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the coming year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the coming year.

5. To choose Agents, Auditors, and Committees in relation to any subject embraced in this Warrant.

6. To see if the District will vote to participate with such other School Districts in Supervisory Union No. 21 as may also vote favorably on the addition of an Assistant Superintendent of Schools for Supervisory Union No. 21.

7. To see if the District will vote to raise and appropriate the sum of Three Hundred ($300.00) Dollars, and authorize the School Board to expend said sum, or any part thereof, to obtain plans, costs and specifications of a gymnasium addition to the Junior High School, and report to the next annual meeting of the District thereon.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries

of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the Selectmen the balance between estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

10. To transact any further business that may legally come before said meeting.

Given under our hands at said Rye this 11th day of February, 1959.

STANLEY P. BATCHELDER,
ELIZABETH A. GREENE,
FREDERICK A. CHAMPION,
School Board of the School District of Rye, New Hampshire
